FROM YOUR ROLDI PRESIDENT

As you all know, August was a pretty slow month. Thanks go out to those who are still checking our community late at night and in the early morning hours. We have had a pretty good non-eventful season.

Another thank you to those who came out to the last "Afternoon Delight" get-together. Hope you enjoyed them.

Don't forget to sign up for Labor Day Potluck. It is posted at the South Hall. You must sign up so Judy knows how much chicken to buy.

We are having some food trucks come in the park this coming season. We hope you will check them out and let me know if you want them back or not. This should start in October. Hopefully!! Along with that, our evening fire pit nights should also start some time in October.

Be ready for a busy season after our long summer. There will be a lot going on, so get your rest now.

Remember, we need some new members on the ROLDI Board. Please give it a try. There are forms at the South Hall for you to apply for one of the different positions. I will NOT be running again so please consider all jobs available. Thank you.

Nancy Chandler, President ROLDI

FROM YOUR LDPOA PRESIDENT

Hello Everyone,

Here it is September. Months are going by fast. As you know by now, the Electrical Panel in South Hall has been replaced.

We cannot stress enough that if any concrete or building that is added to your property, you MUST have permission from the Board to do so along with drawings.

September 28th is the Date you have to complete your repairs or submit a valid contract to have work done on your home, or face another fine. This is not negotiable.

We have contracted for a new Fence around the pool. Jan will keep you posted on the closing of the Pool while the fence is being installed.

We realize the grass is growing fast and it is hard to keep up, but try.

We want to give recognition to the citizens who have been driving in their carts late at night to keep our park safe. Thank You! And we appreciate you.

Some of our northern friends will be arriving soon and Lazy Days will be bustling. Enjoy the rest of the Summer. Stay Cool.

Jim Gooch, President LDPOA

FROM YOUR PARK MANAGER

Hello Lazy Days family

Here we are looking at September already. The kids are in school and we are now all driving behind those delightful yellow busses!

Things here in the office are ticking along and I am ready for my cruise vacation. I will be gone from Sept 9th to 13th as long as we do not get a hurricane to kill my plan. Jeff (my hubby) and I try to go on a cruise each year as we find it the best way to totally “unplug.” This year we will be in Jamaica, Grand Camen and Nassau as well as Coca Cay and a couple of days at sea. Vacations with family are great but a vacation with an ocean view and someone else cooking is wonderful!

I am so relieved to not be bugging you all with the special assessment reminders. Thanks to all shareholders who paid on time, there are only 4 who will be losing their voting and other shareholder privileges until they are caught up.

We continue to watch the potential for flooding with heavy rain and are very pleased to note that there have been no issues since the south ditch bank on Swan Lake side was built up.

The budget committee will have met by the time this goes to press. Treasurer Cheryl Burt is gathering her sharpest pencil and her committee members and is going to work hard to see if she can have a NO increase year. Keep your fingers crossed.

The Document Review Committee is close to having both a reworked Rules and Regulations document for the board to vote on, and suggested changes in the By-Laws for shareholders to review and vote on at an upcoming meeting. So, things here are still full speed ahead.

I have been working with the landscaper and Nancy Chandler to get a plan in place to upgrade our landscaping. So if all goes well, we will have an even prettier community here at Lazy Days in the near future.

The engineering firm has been in and the survey/elevation work is almost complete for our sewer project and the possible FEMA flood map appeal. I am hopeful that reports and recommendations will be available by the first board meeting of the season in October.

!! WARNING – MAIL STOLEN !!

There is someone taking/stealing U. S mail. This is a federal offense. If caught, I will press charges. They have broken the law and invaded my personal belongings. They can and will do time in prison. These pieces of mail were personally tracked with, and by, the U. S. Postal Service, reaching their destination on time. Low and behold upon checking my mail, neither were there. This has also affected both parties on behalf of the sender and receiver. I am taking this very personally.
