FROM YOUR PARK MANAGER

Happy New Year Lazy Days!

I sincerely hope you have all enjoyed a blessed Christmas and welcomed 2025 in safely and happily.

There are a lot of plans for a busy January with the association's Annual General Membership Meeting on the 16th and there will be an election for a new board of directors to lead us in the upcoming year.

Additional things to look forward to or not.... Speed bumps will be installed. This was not an easy decision for the board but as we cannot seem to get residents to slow down this more intrusive measure was decided as the best option. We have had numerous complaints now that the community is so much busier with the seasonal residents returning. Sadly, several near misses have been reported. I would remind you that this a community of mostly retired folks and leaping out of the way of a speeding car is not always physically possible. It will also mean the vendors and delivery people coming and going will hopefully SLOW DOWN too!

Just a reminder the 2025 budget was approved by members in November and the great news is there will be no increase for 2025. Payment amounts will remain the same. \$180/month for nonmembers and \$75/month for members. Coupons should have been delivered to residents who wanted them in December not February as in previous years. This is because we have aligned our physical year with our budget year so our book keeping is going to be much easier.

I hope to be able to work on a new phone directory over the next few weeks. If your number is changed or incorrect in the current directory or you DO NOT WANT to be included in it please notify me before the end of January.

Jan Provence CAM CMCA®

MEET AND GREET

Come join your neighbors on Monday mornings at 8:00 a.m. at the South Hall for coffee, tea, snacks and lively conversation.

HAPPY NEW YEAR

TRASH & TREASURE

In less than one month we will be gathering to set up for our Trash and Treasure fundraiser. The dates, including our set up and our sales are **1/26/25 through 2/1/25**. It's not too late to volunteer; just reach out to Barb Joseph or me and we will find a spot for you to work. There are so many areas that need your help. Some areas are setting up; working on the tables; baking goodies for the bake table; clean up, driving golf carts to shuttle people back and forth between north and south hall; and, most of all, donating your items to be sold! Just a reminder though. We do not take any mattresses; furniture must not be so big that our men cannot carry it, and we do not take sofa beds.

The plans, so far, are to set the tables in place on Sunday morning, 1/26. The men will start to bring the boxes and furniture down from the containers that afternoon. Lots of help is needed here, whether it be to unload the trucks as they arrive at the hall or to help load the trucks and trailers down in the storage area. Monday, 1/27 and Tuesday, 1/28, we will start at 8:00 a.m. to set up the items and do pricing. We hope to take Wednesday off to rest! **Thursday, 1/30, Volunteers only may shop from 10:00-11:30.** We will close for lunch (Bill and crew will be cooking outside on the grill so don't go home!) and will reopen at **12:30-2:00 for all park residents.** On Friday, 1/31, we open to the public at 8:00 a.m. and remain open until 2:00 p.m. Saturday, 2/1, we open at 8:00 and close at 12:00 Noon.

I hope to have a final meeting with all volunteers on Wednesday, 1/8/25 at 1:00 p.m. at the North Hall. This date is tentative so watch for a more definitive date and time in early January. (So Sorry – the deadline for this newsletter was so early that I have no idea what changes will need to be made). Last-minute ideas and problem-solving is always a good thing to do before the actual event, so I encourage all volunteers to come and share your thoughts.

Don't hesitate to call Barb Joseph or Jan Shipley if you have questions, ideas or thoughts. For pick ups of your donations, call Jan.

We meet every **Friday morning at 10:00a in the South Hall**. We use a beach ball so it's fun and easy. Come play or watch and root for your team.

LAZY DAYS SHUFFLEBOARD

Over a century ago the Florida Shuffleboard Association was formed and established with court design and rules of play. The object was to provide accreditation to stimulate physical and mental health among Floridians. Anyone who has played the game understands the range of strategy involved...(chess on cement). It is the only sport where you are never out of it because you can reverse your opponents score with the minus 10 position on the board.

Shuffleboard is alive and well in Lazy Days with a record of first place wins in league play 17 consecutive years in a row. So, come out and enjoy the game and camaraderie.

TIME TO SAY GOODBYE

Our condolences to Evelyn Reciniello on the passing of her son, Richard, on November 19th. Until some months ago, Richard lived at 676 Coral Lane.

For those of us who remember the Kornes, we are saddened by the death of Phoebe on November 16th. She and husband Paul were very active in the Village Singers for years before they moved back up north to be closer to family.
