WE NEED SOMEONE TO STEP UP AND HEAD THE PICNIC!!!!!!!!!!!!

Warm Regards.

Gene Kelly, President ROLDI

FROM YOUR LDPOA PRESIDENT

I would like to start my first newsletter article by thanking Jim Gooch for his service to our community. We joined the board together and were immediately thrown into the controversial secret offer to buy the park as well as the south side sewer issue. We've been dealing with unrepaired homes due to Ian. We've worked without a CAM for a while and that brought challenges to our volunteer board members.

I intend to work with our residents, the board, the various committees and our CAM, Jan Provence, to continue restoring our park. By working together, complying with our Rules and Regulations, and making the necessary repairs to our homes, we can revitalize our village. We want our village to be the one to live in.

We welcome to the board, Mary Ford as 1st VP and Kate Moore as our Secretary. I will endeavor to work with the entire board with the thought that we can disagree but still be respectful of one another. What we all need to focus on is what is best for the park. My door is always open for anyone to come by to discuss your thoughts and concerns. I promise to keep an open mind and only ask that we be respectful to one another, even if at the end we disagree.

My contact information is; Cell – 239-291-8357 my email is lloydshipley@gmail.com

FLORIDA ANCHOR AND BARRIER COMPANY

FROM YOUR PARK MANAGER

Hello Lazy Day Family

Where did January go? It seems to have rushed by in a flurry of meetings and organizing and planning for even more meetings!

It has been lovely welcoming many of our seasonal residents' home to the village for some nice weather... and before you all say what nice weather? it has been a lot nicer here in paradise than in most parts elsewhere, so I simply count my blessing and try to enjoy the need to wear long sleeves for a little bit!

I gave my report to members at the annual meeting on the 16th of January and as I was preparing it, I was amazed by all that was achieved in 2024. We have a new gate at RV storage area and fence at the pool, a new heat pump for the pool, updates to the landscaping and road cracks filled to say the least and while the installation was in January, dare I say it "speed bumps" installed. Yes, lots done that has been really beneficial and well received well by most of our residents...of course there are always a few unhappy folks but as my mum always said "you cannot please all of the people all of the time...just some of the people some of the time".

New vehicle decals are being issued and the forms are available at the office or from the web site. The new phone directory is being prepared and will be distributed in March.

The board approved a service to owners who are renting or selling homes in the community. You can fill out a form and a list will be prepared monthly with basic information of a home for rent or sale. The list will be added to the web site so people thinking about our village as a destination will be able to see what is available. Links to phone numbers and Realtor info will be part of the information. If you have a listing that you would like included, please get a form from the office.

At the meeting on Jan 16th, it was pointed out that I am not a resident and should not refer to myself as part of "we" however, I want to say that, as your manager I feel very blessed to be a part of this community and I sincerely hope that you all know I do feel like I am a part of your lovely village, even if it is only as an employee. I do care about seeing the community prosper and I remain committed to my role as your CAM.

Jan Provence

OHIO DAY in LAZY DAYS 2025

Please join us Friday, February 7, 2025, in the South Hall from 12:30 to 2:30 for a chance to meet fellow Buckeyes that are here in Lazy Days.

Smoked pulled pork will be provided along with plates, utensils and napkins. Feel free to bring an appetizer, side dish or dessert to share if you wish. Please bring your own beverage of choice. Bring your Ohio knowledge too!

We have some new people in the park this year and odds are there are some Ohioans. Mark your calendars and spread the word to other Buckeyes that may not see this post.

HOPE TO SEE YOU THERE!!

Hosted by the Sims' and Converse's.

TRASH AND TREASURE

We could be in the middle of this event when you receive this newsletter or, quite possibly, just about to end it. It is always a huge undertaking for the park but with the help of so many, it usually goes along pretty smoothly and is a great time of bonding with our neighbors as well as making a large profit to benefit the activities in the park.

I want to thank all those that have volunteered their time and worked so hard. Without each of you, we would not be able to have such a successful project. Also, a shout out to all those who donated their items. Without them we would have nothing to sell and, therefore, no

reason to put this great project together.

Just in case this newsletter comes out early enough, here are the times of the sale:

We are open to **residents** of Lazy Days on **Thursday, January 30th, from 12:30 to 2:00 p.m.** We will be open to the **public** on Friday, **January 31st, from 8:00-2:00 p.m.** and again on Saturday, **February 1st, from 8:00 a.m. to 12:00 Noon.**

Be sure to come on down. You will most definitely find a treasure that you can't live without! If not a treasure, a nice little sweet treat at the bake table or a delicious hamburger from the grill. There is also golf cart transportation back and forth from the north and south halls for anyone wanting a lift. You wouldn't want to miss seeing what's available in the furniture showroom! There is something for everyone. Don't miss out!

Jan Shipley

NEW VILLAGE SINGERS

Just a note to remind everyone that we rehearse on Sunday afternoons at 4:00 p.m. (The exception being Super Bowl Sunday)!

There is still time for you to join, as we are just pulling our program together for our Spring show "At the Movies."

Come check us out and join in the fun. The more the merrier.

Judy Young, Director

SAFETY WHILE WALKING

Please take care while walking or riding your bike in the park. Walkers: Always walk against the traffic so you can see what's coming ahead. Riders: Ride with the traffic and allow cars and/or golfcarts to pass you safely.

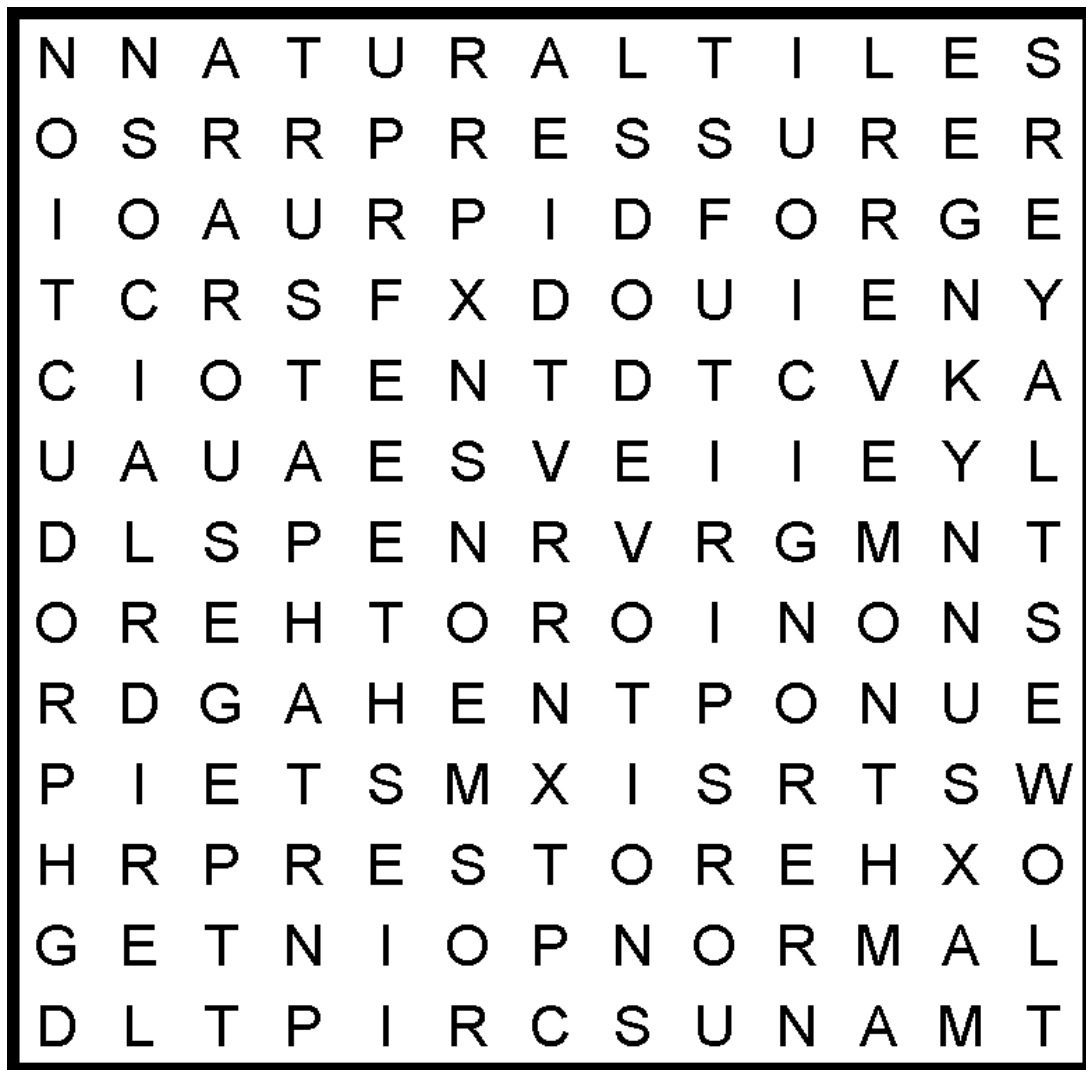

TIME TO SAY GOODBYE

We send our condolences to the friends and families of **John McGregor** of 845 Winterest who passed away on 12/22/24;

Janet Beyers 684 Dream Lane who passed away 1/17/25;

And we were informed by a neighbor but NOT a family member that **Tom Kuck** of 738 Leisure, passed away on 12/24/24.

Fuel Pump Skimming

Skimming occurs when devices illegally installed on ATMs, point-of-sale (POS) terminals, or fuel pumps capture data or record cardholders' PINs. Criminals use the data to create fake debit or credit cards and then steal from victims' accounts.

Tips When Using a Fuel Pump

- Choose a fuel pump that is **closer to the store** and in direct view of the attendant. These pumps are less likely to be targets for skimmers.
- **Run your debit card as a credit card.** If that's not an option, cover the keypad when you enter your PIN.
- **Consider paying inside** with the attendant, not outside at the pump.

If you think you've been a victim of skimming, contact your financial institution immediately.
